## CLASS DESCRIPTIONS

CLASS	DESCRIPTION
AFTERNOON SPIN	A mix of hills and drills, strength and endurance, all to the beat of great music. This is an excellent way to wind down from your day.
CHAIR YOGA	Improve balance, strength and mobility by practicing yoga movements with the assistance of a chair. This class is ideal for those with lower mobility, recovering from injury or those just looking for a gentle yoga class without getting down on the floor.
DYNAMIC CORE	This class draws from Yoga, Pilates, and Barre styles of practice to bring attention to movement and mobility. Proper breathing exercises will help you incorporate the core appropriately to support your back and resistance bands and soft balls will help guide and focus the exercise for a stronger mind body awareness. Participants will need to be able to do floor work.
FUNCTIONAL FLEXIBILITY	This class explores key stretches to improve body awareness, mobility and posture. Stretches will be held longer to release tension in the body, allowing muscles and connective tissues to lengthen gradually. Props (such as bolsters and blocks) will be used as support.
GENTLE SPIN	Enjoy this morning spin class specifically suited to those looking for a moderate cardio workout. Expect fun music, expert instruction and a variety of cycling drills where you set your own intensity.
HEALTHY HIIT	This full body workout combines bodyweight and resistance exercises with cardio movements for a well-balanced 45 minute class that is sure to wake you up. Start your day energized! Open to all fitness levels.
INVIGORATING SPIN	Start your day with an invigorating spin class! With a mix of spin drill and upper body exercises off the bike, participants can expect a great workout!
LOW IMPACT TABATA	Tabata alternates frequent bursts of higher intensity training with short periods of rest. This low impact tabata class will get your heart pumping and wake up those sleepy muscles. Work at your own pace – all levels welcome.
LUNCH TIME YOGA	Practice poses, breathing and relaxation through movement. This gentle yoga class is suitable for all levels and perfect for those looking for a lunchtime option.
MODERATE MOVES	Featuring moderate cardio and optional power moves, this class is suitable for beginner to seasoned alike. Various equipment is used to strengthen and stretch the body, focusing on controlled quality movements.
MORNING YOGA	This beginner friendly class incorporates a variety of yoga styles to give you a gentle workout that satisfies the mind, body, and soul.
PILATES	This mat Pilates class focuses on precise movements originating from the core of your body, working from the deepest layers of muscles, which stabilize and support your spine. This results in a strong, flexible spine with ideal posture and alignment. Classes will incorporate modifications and variations to suit all abilities of students.
PILATES MIX	Pilates helps to create functional movement patterns that transfer and benefit us in everyday life while Barre moves add repetition and target specific muscle groups. This mat focused class has an emphasis on alignment and stability and is open to all fitness levels.
SENIORS WELLNESS	This class will combine safety, mobility, flexibility, and balance exercises including mild aerobic routines for seniors. Meet new acquaintances and re-new old friendships.
SENSIBLE STRENGTH	Bringing together all your favourite workouts, this one-of-a-kind session comprises strength training and core exercises.
SPIN & STRENGTH	Finish your day with this stress busting spin and strength class. Designed with alternating spin drills, upper body strengthening and core work, this class is ideal for those looking to improve cardiovascular fitness while building a stronger and leaner body.
SPIN & CORE	Finish your day with this stress busting spin and core class. Designed with 30 minutes of spin drills and 30 minutes of core work, this class is ideal for those looking to improve cardiovascular fitness while building a stronger and leaner core.
STRENGTH & CORE	This class combines full body strength training moves with core exercises to give you a challenging workout to start your week off right. A variety of equipment will be used, including free weights and bands. All levels welcome. Participants must be able to transition to the floor for core work.
STRETCH APPEAL	This stretch class will move through core-challenging movements incorporating breath and balance to elongate and strengthen. You will leave relaxed and taller.
STRONG & MOBILE	This is a basic entry-level class. Perfect for people with osteoporosis, arthritis, muscle loss or recovering from injuries. This class combines strength work with mobility/flexibility work and balance to improve posture and functional movement.
TOTAL BODY CONDITIONING	This complete workout is designed to strengthen the legs, arms and core while increasing flexibility and cardio stamina. This class uses a variety of equipment such as dumbbells, bands and steps, making it a great total body workout for men and women of any fitness level!
TUESDAY EVENING YOGA	Explore dynamic movement and postures to unlock tension within your body. This flow yoga class will help you to build a strong personal relationship with your practice and discover the many benefits of adding yoga to your life.
YIN YOGA	Yin Yoga is a slow-paced practice with long deep holds to enhance mobility and flexibility by targeting your deep connective tissue. Excellent for stress release and overall mental health. All levels welcome!
ZUMBA®	This is a total workout, combining all elements of fitness – cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class. Once the Latin and World rhythms take over, you'll see why Zumba® Fitness classes are often called exercise in disguise.
